JOBS AT DURASERV CORP

TECHNICIAN I

Tempe, AZ

Our Service Technicians install and service the equipment associated with commercial doors & docks. Providing the best customer service in the industry allows us to continue raising the bar on what quality service looks like.

SALES REPRESENTATIVE

Jamesburg, NJ

As a territory sales professional, your mission is to secure new business and strengthen existing relationships. To win in this business, you must be versatile. You are not just a sales representative - you are a partner, a consultant, a project manager, and a trusted customer advocate.

SERVICE COORDINATOR I

Jamesburg, NJ

The Service Coordinator I is responsible for coordinating service solutions that result in the work assignments for the Service Technicians and solutions for our customers. This Service Coordinator is also responsible for a variety of office and service administration procedures.

ASSISTANT OPERATIONS MANAGER

Angier, NC

With minimal direction, the Assistant Operations Manager - Field reports to the Division's Operations Manager and will assist the Operations Manager in the oversight of the Division's Field Operation. The Assistant Operations Manager role is a hybrid role with much of the focus in the field on scheduled jobs auditing, inspecting, and troubleshooting.

TECHNICIAN APPRENTICE

Angier, NC

Our Service Technician Apprentices install and service the equipment associated with commercial doors & docks. Providing the best customer service in the industry allows us to continue raising the bar on what quality service looks like.

OPERATIONS MANAGER

Greensboro, NC

Under minimal direction, the Operations Manager oversees the entire local Service Operation. The Operations Manager role is a hybrid role with much of the focus on the office. Other duties may include daily inspection and inventorying of Division Service Trucks, overseeing warehouse and equipment staging, and ordering stock parts. The Operations Manager is also responsible for growing the service department while following the company's policies and procedures.

FEATURED TRAINING PARTNERS

[CCS Learning Academy](#)

[CCS Learning Academy](#), a division of CCS Global Tech, offers a comprehensive 6-week talent development and placement program for veterans is offered, aimed at preparing participants for in-demand roles in Microsoft Business Intelligence. This program follows a well-tested and recognized training and development model that includes targeted coursework, scenario-based learning from leading technology companies and influencers, as well as opportunities to work on real-world projects for actual clients.

Qualified veterans participating in this program will have access to a highly experienced and supportive team, alongside an immersive classroom-based training program designed to enhance in-demand technical skills. Additionally, a personalized coaching program focuses on developing interpersonal skills and interviewing strategies. Most importantly, there is a strong commitment to providing placement assistance for veteran graduates. CCS Learning Academy boasts a 21-year track record of successfully placing graduates in Microsoft Business Intelligence positions with various Fortune 500 companies, as well as in the government sector at city, county, state, and federal levels.

To learn more, interested individuals can visit <https://www.ccslearningacademy.com/veterans/>. Those ready to take the next step are invited to submit an online application to get started. Any questions can be directed to training@ccslearningacademy.com.

[Intellectual Point](#)

[Intellectual Point](#)
