JOBS AT ROBERT HALF

DATACENTER TECHNICIAN

Bridgewater, NJ | Remote

We are offering a contract for a permanent position in Bridgewater, New Jersey, for a Datacenter Technician. This role falls within the IT industry and involves significant hands-on work in a data center environment, handling servers, network equipment, and other critical infrastructure. As a Datacenter Technician, you will play a crucial role in maintaining system performance, troubleshooting issues, and adhering to operational protocols to ensure optimal uptime.

ACCOUNTS PAYABLE SUPERVISOR | MANAGER

Nashville, TN | Remote

We are seeking an Accounts Payable Supervisor/Manager to join our team in Nashville, Tennessee. In this role, you will be tasked with overseeing the accounting functions, managing the accounts payable process, and ensuring the accuracy and efficiency of operations.

BOOKKEEPER

Issaquah, WA

We are on the lookout for a meticulous Bookkeeper to work with our team in Issaquah, Washington, 98027, United States. This role offers a short term contract employment opportunity. As a Bookkeeper, you will be responsible for managing data entry tasks, maintaining accurate financial records, and dealing with customer inquiries. The role involves processing customer credit card transactions, utilizing QuickBooks and case management software, and conducting audits within these systems.

PROPERTY ADMINISTRATOR

Oakland, CA

We are accepting applications for the role of Property Administrator in San Francisco, California. This job is in the real estate industry, and you will be based at our office. This role is a short-term contract employment opportunity.

RISK MANAGER | INTERNAL AUDITOR

Columbia, MD

Robert Half has partnered with a well-respected client in the Baltimore area to hire a Risk Manager for their growing team! They are looking to add a Risk Manager to help them effectively manage and mitigate risks across their enterprise. As the Risk Manager, you will be responsible for developing, implementing, and overseeing the enterprise-wide risk management framework to identify, assess, prioritize, and mitigate risks that could impact the achievement of the organization's objectives. Reporting directly to the Chief Risk Officer, you will play a critical role in enhancing the company's global risk management capabilities, providing business continuity, and fostering a culture of risk awareness and mitigation.

DATA REPORTING ANALYST

Tucson, AZ

We are offering an exciting opportunity in the field of data management for a Data Analyst in Tucson, AZ

FEATURED TRAINING PARTNERS

[The Refrigeration School, Inc.](#)

[The Refrigeration School, Inc. \(RSI\)](#) has partnered with Hire Heroes to help their veteran clients find opportunities for training programs in the skilled trades. Clients who no longer receive military funding could also be provided with a \$2,500 scholarship if they enroll at RSI.

RSI is a trade school in Phoenix, Arizona, that offers training programs in HVAC, refrigeration, electrical and welding. Students receive hands-on training that equips them with the skills necessary to find job opportunities in their field after graduation. Check with RSI regarding scholarship eligibility. For more information, please visit <https://www.rsi.edu/about-rsi/regulatory-information/>.

International Brotherhood of Electrical Workers

[The International Brotherhood of Electrical Workers Local Union 11](#) and the Los Angeles County Chapter of the National Electrical Contractors Association offers several different apprenticeship programs at no cost to students. Apprenticeships are granted through the Electrical Training Institute and are paid opportunities. They offer four different programs in the Los Angeles, CA area. To learn more, visit www.laett.com.

HEAVY CONSTRUCTION ACADEMY

6 Weeks To A Rewarding Career

[Heavy Construction Academy](#)

[The Heavy Construction Academy](#) of Brentwood, New Hampshire, trains and certifies men and women to operate nine state-of-the-art pieces of heavy machinery. They combine hands-on training with classroom instruction over a 6-week program to provide each student with the skills to attain valuable Equipment Operator Certifications. The Academy also provides all students with lodging, transportation to and from school, protective gear, and some meals. You can learn more and apply [here](#).
